

NIKITHA MBOKOTWANA

SOFTWARE DEVELOPER

16 July 2024

Dear Hiring Manager,

I am writing to express my interest in the Junior/Graduate/Internship Software Developer position at your organization. With a diploma qualification completed at Cape Peninsula University of Technology in application development in 2023 and three years of hands-on experience in software development, I am eager to contribute my skills and knowledge to a dynamic and continue to grow professionally within the industry.

During my studies, I developed a solid foundation in various programming languages, including Java and Python. Through practical coursework and projects, I gained valuable experience in software design, development, testing, and debugging. My academic background provided me with the knowledge and skills necessary to thrive in a professional software development environment.

I am confident that my dedication to learning and my practical experience make me a strong candidate for this position. I am excited about the opportunity to contribute to your organization/company and further develop my skills in a professional setting. Thank you for considering my application. I am looking forward to the possibility of discussing how my skills and background align with the needs of your organization.

Sincerely,

Nikitha Mbokotwana

PROFILE

Software developer who is eager to seek challenging opportunities where I can utilize my knowledge and contribute to team success through hard work, attentive to detail delivery. I hold excellent organizational skills and acknowledge new environments as I am motivated to learn and grow in the IT industry. I have acquired experience in fullstack development and am able to balance work and school previously and deliver on time.
